Please list your other 4-H projects for this year

**Please attach a 100 word essay telling us why you think you should receive a scholarship and why you want to attend camp.**

**Remember, applications filled out by the parents generally will not be considered.**

Keep in mind that there is a set cost for Horse Camp Registration, but that is just part of the cost of attending camp. You need to consider travel expenses, spending money, hay, etc. We provide scholarships that cover the amount of registration only.

If you need more money than you have available, how do you plan to raise the amount needed?

My parents and I have reviewed this application and agree that it is truthful and accurate in content.
